**PAHAYAG: The Final Survey** is an independent and non-commissioned pre-election survey conducted by PUBLiCUS between **May 2-5, 2022**.

ISLAND REGION	BASE
PHILIPPINES	1,500
NATIONAL CAPITAL REGION	172
NORTH CENTRAL LUZON	326
SOUTH LUZON	344
VISAYAS	310
MINDANAO	348

It is a nationwide purposive sampling survey comprised of 1,500 respondents randomly drawn by the Singapore office of US-based firm **PureSpectrum** from its market research panel of over 200,000 Filipinos.

The final survey panel was restricted to registered voters. Parameters based on respondent age, gender, and location were also utilized in the sample formulation in order for the resulting sample to conform more closely to the features of the voting population, as defined by statistics from the COMELEC.

The nationwide margin of error is +/- 3%. The margin of error in NCR is ~7%, and 6% in other regional groupings.

**Note from PureSpectrum:** “PureSpectrum is a US-based panel marketplace with multinational presence. Samples provided by PureSpectrum are not affiliated with any bias or political party. All opinions voiced in the interpretation and analyses of the data are those of the writer and/or project sponsor.”

- Ranks 1 through 7 can be viewed to be the “safe” spots given that all candidates in these ranks are all polling on or above the 35% mark.
- Ranks 8 through 16 (T-15) can be viewed to be the Competitive Zone given that all the candidates in these ranks are within 3% of the midway point defined by this range (28%, 25% through 31%).
- Given the demographic statistics of the sample, a strong argument can be made that BINAY and ESTRADA are within the Competitive Zone given that they are expected to poll well among those in classes D and E on May 9.
